ANNUAL REVIEW 2024.

General Review of the Year.

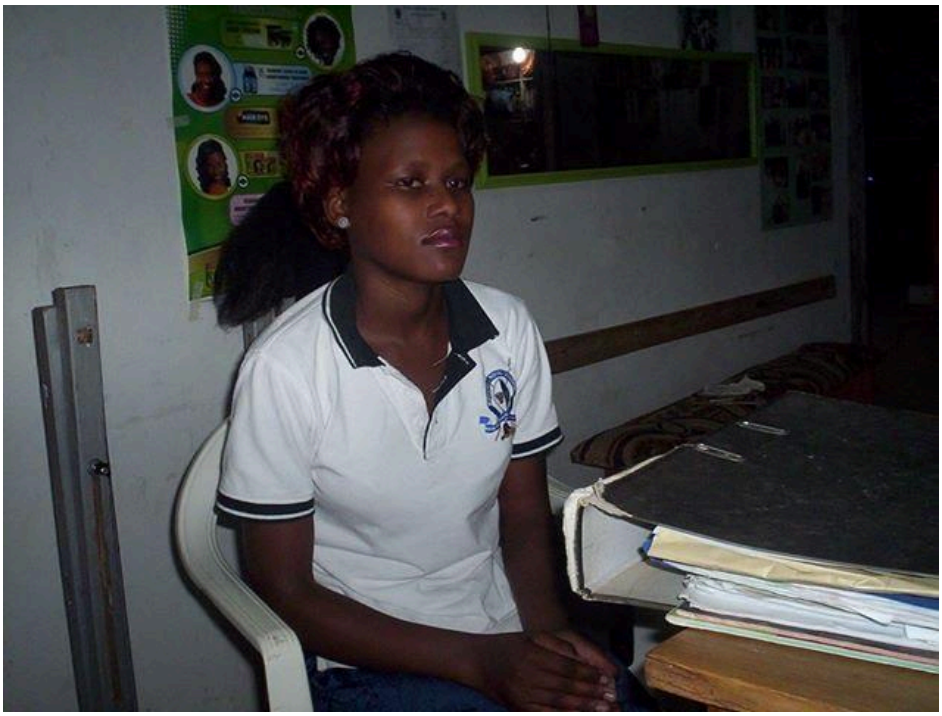

The general performance of the organization has been good. Our Hairdressing unit has been a success. Through out the year, our staff have offered dedicated services. We have had 25 students, the biggest number ever since we started this unit.

A class of Royal Academy School

Our other project, "HELP PROJECT" which donates survival items to neediest people in our community picked towards the end of the year after receiving

three volunteers from Muteesa 1 Royal University, 2 worked as Collectors and One as a counselor counseling the class owing to the big number. They all offered dedicated services.

Ms Nannozi, Help Project volunteer working as a collector

Below are some of the donations made by help project.

SEMINARS.

Two Beauty Company products invited us to attend their product promotion seminars:- One OLIVE OIL, the other LABELLA Company. The seminar proved very useful to students and trainers.

Students of Royal Academy School attending Olive Oil Company Seminar on Product

Facilitators of Olive Oil Seminar

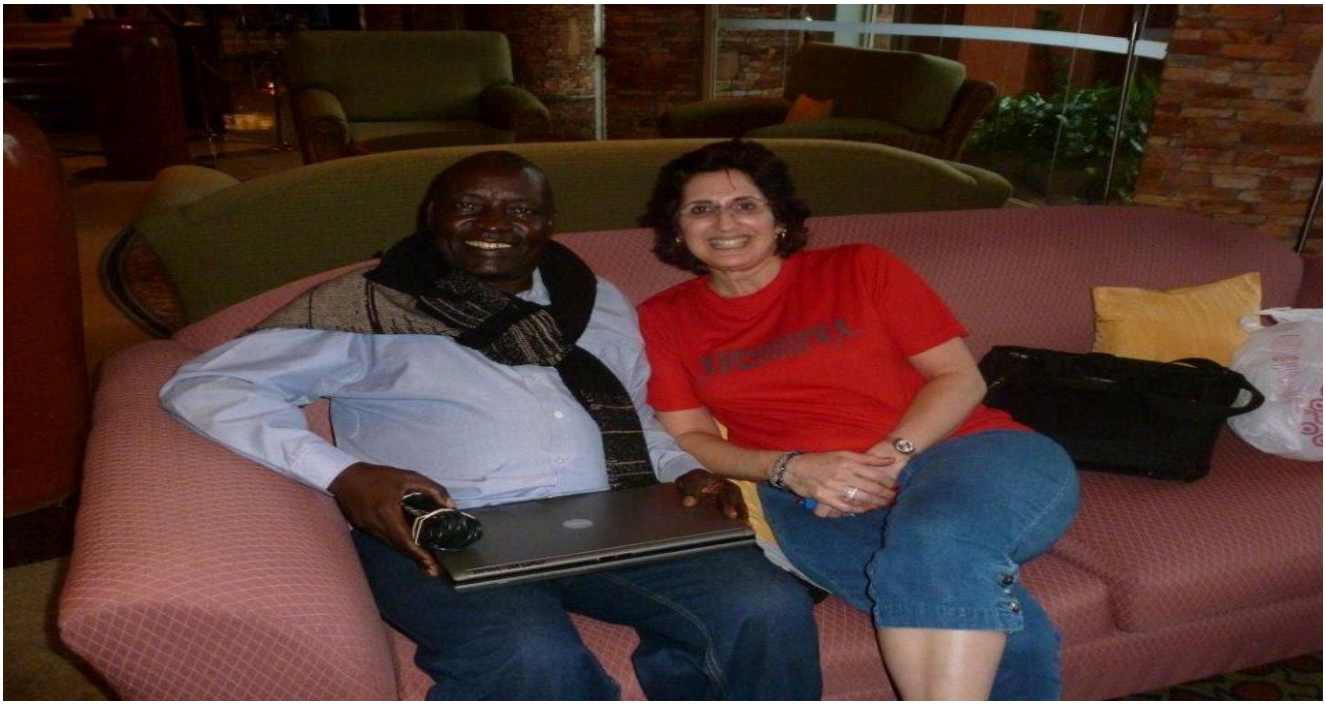

VISITORS.

We hosted women activities from AWDF, who visited us.

They liked our work so much and praised the service we render to

Dvora delivering a laptop donated to the school. This was at Serena Hotel in Kampala thanks AWDF for continuing support.

Women activities on a visit to the school.

OUR FINANCES.

Our sources did not increase much.

Our sources include:-

- Operating fund donations from AWDF – CANADA.
- Meargre resources from Services delivered from able clients.
- Organization membership contributions.

ACHIEVEMENTS.

- The organization has run smoothly through the year , much thanks goes to our PRIME SPONSORS AWDF.
- We managed to maintain stable staff.
- Accessibility of our services increased despite the tendency to be offset by increasing poverty in the community.
- All students studied the skills well uninterrupted through the year.
- 13 out of 25 students have completed their course of study and are placed in salons in and around Masaka our pride to see them earn a living. Great thanks to Aveda for support.
- We have managed to purchase a new dryer for the hair dressing school replacing the worn out one again thanks to AWDF for enabling us.

FUTURE PLANS.

- Mobilize funds to erect a boundary for the hair school.
- Mobilize funds to purchase start up tools for current students.

Currently, new registration is in progress for next years class basing of the criteria of those in worse situation in our community.

Kalungi Michael
Director.
